A person wearing a dark jacket and a messenger bag is riding a bicycle on a paved sidewalk. The sidewalk is made of large, light-colored rectangular tiles. To the right of the sidewalk is a road with a white dashed line. In the distance, a white car is driving on the road. The bridge has a complex metal truss structure with many vertical and diagonal beams. The scene is lit with warm, golden light, suggesting late afternoon or early morning. The overall atmosphere is calm and urban.
